# True Color Grey Series Arc Flash Suits

## TCG® Series

- Clear grey hood window provides 100% true color acquity and includes anti-fog and scratch resistant coatings.
- Reflective day/night striping on arms and legs for increased visibility.
- Ultra-lightweight, suit is made from 100% arc rated, inherently flame resistant aramid fibers.
- Hood window attaches with snaps for easy assembly/disassembly.
- Knit cuff, zipper front closure, and adjustable suspenders for easy don/doff.
- Available with a hood ventilation system, front attaching LED hood lamp, and cooling vest.
- Available in 25, 40, 65, and 100 cal/cm<sup>2</sup> versions.
